DAILY JOURNAL

FIRST DAY'S SESSION

The fiftieth Annual Session of the Southwest Missouri Conference, Methodist Episcopal Church, South, convened in the church at Joplin, Mo., Thursday, September 16, 1920, Bishop W. B. Murrah in the Chair. After singing the hymn, "Ye Servants of the Lord," Dr. C. C. Woods led in prayer. Bishop Murrah read the Parable of the Ten Virgins, commenting on the passage.

J. E. Alexander, secretary of the last Conference, called the roll and noted those present, as appears from the roster elsewhere published. On motion, further calling of the roll was dispensed with, and Presiding Elders were instructed to report names of those coming in after this morning's session.

J. E. Alexander was elected secretary. On his nomination, C. M. Hawkins was elected assistant secretary, and Alonzo Patterson, statistical secretary with privilege of choosing his assistants.

The Mayor of the city, Hon. J. F. Osborne, was introduced to the Conference and delivered an address heartily welcoming them. Bishop Murrah made a happy response.

The Bar of the Conference was fixed at the sixth seat from the Chancel. The hours of meeting and adjournment were fixed at 9 a. m. and 12 m., respectively.

C. H. Briggs, for the Presiding Elders, presented the report on Nominations, which was adopted, as follows:

Public Worship—W. H. Hesler, W. A. Frazier, Lon Presley.

Temperance and Sabbath Observance—S. J. Starkey, L. P. Welburn, H. C. Green, T. G. Scott, E. D. Baker, Russell Mumford, L. F. Shoop, J. A. Rich, J. D. Robbins, A. F. O'Neal, Lawrence Orr, C. F. Davis.

Layman's Committee—Sim Beam, W. R. Eckle, Sidney Sparlin, J. J. Orton, R. E. Hoover, Clem Jones.

District Conference Journals—J. B. Ellis, S. G. Keys, M. M. Sooter, W. P. Barrett, John R. Scott, Mrs. S. O. Brill.

Various reports were presented, and referred to the appropriate Committees.

The following were introduced to the Conference: S. J. Anderson, secretary Board of Education; C. D. Bulla, representative Sunday School Board; J. J. Stowe, Board of Missions.

REPORT NO. 1 OF THE BOARD OF EDUCATION

Sept. 17, 1920.

Dear Brethern:

We recommend first, that the Conference create a Commission of seven persons whose duty it will be to co-operate with the Connectional Commission in conducting the Educational Campaign in our conference. We nominate the following: Dr. A. L. Scales, J. C. Edwards, Perry S. Rader, L. D. Murrell, Dr. W. T. McClure, B. B. Pennington, and J. E. Alexander.

Second, that a man be appointed by the bishop as Conference Secretary of education who will be the Executive Secretary of our Conference Commission who will give his full time to the work. The salary and expenses of the Conference Secretary will be paid by the Connectional Commission from the central office.

Third, that the month of November be designated as the time in which the movement will be presented by the pastors to all the congregations within the bounds of the conference.

Fourth that we accept the quota of askings made to our conference by the Educational Commission as follows:

Connectional	\$145,000.00
Central College, Fayette	217,000.00
Central College for Women	189,000.00
Scarritt-Morrisville	105,000.00

Fifth, that we commit to our Conference Commission, in co-operation with the Connectional Commission, the matter of apportioning the quota assigned to the conference to the several districts.

Sixth, we recommend that whereas, induced by certain practical considerations and by financial deficits from year to year that could no longer be borne, the Board of Curators of Central College for Women, four years ago, ordered the reduction of the courses of instruction to Junior College requirements, and whereas this action of the Board, with the reasons therefor, were fully set forth in resolutions presented to this Conference and the other patronizing Conferences, which resolutions were received and approved by them, and whereas the Board of Curators and this Conference were aware at that time, and still are aware that in taking this action they were postpoing the historic intent of the church, expressed in frequent Conference resolutions and acts, to establish and maintain a school for women equal in grade to any school it maintains for men, and whereas the Educational Commission has made Central College for Women an apportionment of \$490,000.00, the approved and supplemental askings, to be paid out of funds to be derived from the Educational Drive next year, upon condition that the foregoing purpose of the church in regard to this college be re-affirmed by the patronizing Conferences, therefore, be it resolved, that this Conference reiterates its intention, in co-operation with the St. Louis and the Missouri Conferences, to return to and to accomplish the long matured program and purpose of ths Church, and to make this College a school for women of the highest grade and standards as soon as funds are available for its adequate endowment and equipment.

REPORT NO. 2 OF THE BOARD OF EDUCATION

Your Board of Education begs leave to submit the following as report No. 2:

We have carefully considered the reports coming from the institutions of learning under our care and the following are our findings in their several cases:

Southern Methodist University

We note with great satisfaction the splendid progress already made by this institution and the bright prospects for its future growth and usefulness. We need the Christian University as truly as we need the Christian college; and we are looking forward to the good day when Southern Methodist University will have sufficient endowment and equipment to become a real university and thus exercise a commanding influence in the

educational world and especially in our territory west of the Mississippi. Under the presidency of Dr. H. A. Boaz, the institution is rapidly getting on a sound financial basis. We commend the Theological Department and the Correspondence School to our young preachers. We desire also to call the attention of all our under-graduates to the fact that they are required by the law of the Church to pursue their studies under the direction of the Correspondence School. The Conference Board of Education will pay the tuition fees in the Correspondence School upon recommendation of the Presiding Elders. We also commend the Preacher's Summer Assembly at Dallas to all our preachers and the Western Training School for Sunday School Teachers to all who are concerned with this vital phase of our work.

Central College

The report of President Linn shows that this institution is in a flourishing condition and enjoys an enviable reputation for scholarly work. It has a present endowment of about \$530,000.00, and the enrollment this year promises to be the largest in its history. We are pleased to note that the atmosphere of the college is distinctly religious and that within the past year a goodly number surrendered themselves for special Christian service. Notwithstanding the increased endowment the salaries of the professors are wholly inadequate, ranging from \$1200 to \$1600. The crying need of the institution is an adequate endowment, and we are indulging the hope that our great educational movement will bring it to this desired goal.

Central College For Women

President Williams reports that all available room will be occupied by students at this splendid institution this year. Its fine record in the past half century, together with its enlarged plans for the near future, give promise of increasing usefulness in the coming years.

Scarritt-Morrisville College

This institution has asked for and obtained classification as a Mountain Mission Training School and has adopted the Standard Course for Secondary Schools as the basis of its work. It has good buildings, a productive endowment of some \$20,000, and is free of debt. Efforts will be made to open the school in the fall of 1921. It is our judgment that the school should open as an academy, then advance as rapidly as possible to the rank of a junior college.

Scarritt Bible and Training School

While this school is not under the supervision of our Board, yet it is located within the bounds of our Conference and we deem it proper to make mention of it in our report. We are more than pleased to note the great progress this institution is making under the presidency of Dr. Ed. F. Cook. Thoroughly alive to the demand of the new day, Dr. Cook is

placing this school in the front rank of institutions of a similar character in the United States.

Work at the State University

The report of the work of our Student-Pastor at Columbia shows that fine results are being achieved through his labors, and we heartily recommend a continuance of this work.

We recommend the following appropriations:

Scarritt-Morrisville	\$900
Central College, Fayette	1600
Religious Work, Columbia	600
Expense of Board	800
Preachers' Institute	200

The following are recommended for appointment as Curators:

Scarritt-Morrisville—Dr. J. B. Ellis, Dr. A. L. Scales, Rev. O. M. Rickman, Rev. L. F. Shook, and Mr. L. D. Murrell.

Central College, Fayette—Hon. John A. Rich and Dr. J. R. Brown.

Central College for Women—J. R. Dominick, in place of W. J. Campbell, deceased; W. G. Swinney and W. H. Moore (re-election).

We recommend the appointment of Dr. Ed. F. Cook as President of Scarritt Bible and Training School, of W. E. Sullins as student in Yale University; of Thomas B. Mather as student in Princeton University; of W. M. Staubus as student in Union Seminary, and of L. M. Starkey as student in Southern Methodist University.

We recommend the appointment of Rev. R. N. Allen as Conference Secretary of Education.

We recommend the appointment of Dr. Z. M. Williams as President of Central College for Women.

Attention is called to the rule of this Board that we require a detailed financial statement from any institution seeking aid.

We recommend that the Conference adopt as a minimum salary for its members, \$900.00 for an unmarried and \$1200.00 for a married man, and put forth all reasonable efforts to reach that standard. Also that care be taken that the educational requirements for admission be strictly observed.

We recommend the appointment of R. B. Kimbrell in place of B. P. Taylor on Educational Commission at the State University.

Respectfully submitted,

A. L. SCALES, President.

G. L. COFFMAN, Secretary.

REPORT OF BOARD OF MISSIONS

Dear Brethren:

Your Board finds cause for great encouragement in the continued interest in missions throughout the conference. We rejoice in the enduring results of the Centenary in this territory. It has been the means of reviving many of our churches and has given our people a true conception of what can be accomplished when there is genuine interest in a given task.

We urge all pastors and laymen to remember that a vital part of the Centenary is yet ahead of us. To this end it should be our task to see that all organization helpful to the collection of Centenary pledges should be faithfully established in every charge.

We nominate J. B. Swinney, U. V. Wyatt, and Mr. Sim Beam as members of the Annual Conference Committee on Evangelism.

Your Board has provided for the employment of a Conference Missionary Secretary for the ensuing year at a salary of \$2,700 and traveling expenses of \$600. We nominate Rev. I. D. Borders for this position.

EVANGELISM

To the President and Members of the Southwest Missouri Conference:
Dear Brethren:

From our Sunday schools thirteen hundred and fifty have come into the church and a total of two thousand eighteen on profession of faith. This is an increase of one hundred per cent over last year. We are greatly encouraged and we know this comes of your faith and zeal. It is evident that the greatest evangelism is pastoral evangelism. Therefore we urge evangelistic cooperation of the pastors and especially that our men doing station work help our men who are doing circuit work.

Our church is organizing its evangelistic forces. We commend these general evangelists of the church. Use them all you can. They are worthy of our confidence and have a permanent place among us.

We believe that God calls men to preach the gospel of Jesus Christ and this gospel is the power of God unto salvation. It may be the mission of a Darwin to observe, an Edison to invent, a Livingstone to explore, thereby charming the mind, blessing with service the social order and broadening the knowledge of man to the uttermost parts of the earth. Our people may stay at home on Sunday and read as good literature, philosophy, science or wonderful discovery as we can possibly put into our ser-

mons. This is not worship. Reading is not preaching. The preacher must be a reincarnation of the mind, the will and the heart of Jesus Christ. He must preach. He must have the people hear him preach.

The preacher called of God is to call men to God. Whoever calls men to the living God with a living message is an evangelist. Whoever lifts the eyes of men to Jesus on the cross in such a way that they see God and man in him reconciled is an evangelist.

Our fathers did this thing. We must do it better than they if we succeed largely. What and if the saints are all dead? What and if there are no more saints? If the joy of our salvation is gone from our hearts it is gone from our sermons. If when filled with trials and sore distressed we doubt God and turn to the wisdom of men why wonder that our people do likewise.

A God-called ministry will insist upon a heart-felt religion. We must emphasize conversion. It is more than reformation. It is a very comforting consciousness of God and brings a peace that passeth understanding. A heart of dead flesh is not better than a heart of stone. A reformed man is a deformed man unless he has power to grow back to Godliness. Pure morality is a product of Christlikeness and never a substitute for Christ-heartedness.

We do not venture to suggest methods. Many stand approved of God. We hereby express our confidence that every man of us will go to his year's work determined by the grace of God to be an evangelist presenting his body a living sacrifice, holy, acceptable unto God—his reasonable service, being transformed by the renewing of his mind.

J. B. SWINNEY, Chairman

U. V. WYATT, Secretary

BOARD OF CHRISTIAN LITERATURE

Dear Brethren:

Your Board of Christian Literature submits the following report:

Sunday School Literature—We commend the use of our own Sunday School Literature, which maintains the accustomed high standard.

Missionary Voice—This organ of the Connection was never more useful and interesting than at the present time. We urge its wider circulation.

Epworth Era—This organ of the Epworth League deserves a wider circulation among our pastors and young people and we commend every effort made in that direction.

Christian Advocate—The general organ of our church is worthy the

support of all our people, as this paper has heroically maintained its standard despite difficulties well known to all publishers.

Methodist Review—We urge our pastors and people to subscribe for the "Methodist Review" under the able management of Dr. Frank M. Thomas.

St. Louis Christian Advocate—We are gratified with the splendid paper furnished the church under the editorship of Dr. Alfred Smith and the wise management of the Advocate Board of Trustees.

We recommend the appointment of Rev. J. E. McDonald to succeed Rev. B. P. Taylor on the Board of Trustees of the St. Louis Advocate.

The Trustees of the Methodist Advocate Co. report the payment of a debt of \$2000 the past year, which cancels the last obligation of the character against the Company. The balance to begin the new year is very small and an increased circulation is necessary if the paper is maintained without embarrassing loss. We therefore recommend the following plan:

1. The Southwest Missouri Conference undertakes and assumes to secure and maintain 4500 Two-dollar subscriptions to the St. Louis Christian Advocate, as a minimum of such subscriptions, and to maintain the subscriptions at that number at all times.

2. The said number of such subscriptions shall be apportioned to the various Districts within the bounds of the Conference in the same manner and by the same rule of percentages as other Conference Assessments are apportioned, and the pastor and members of each charge are obligated to obtain enough new subscriptions and renewals to bring the whole number of subscriptions within the charge up to the number apportioned to it, and to maintain the number at that quota at all times.

3. An assessment of eleven hundred and twenty-five dollars is laid upon the Southwest Missouri Conference for the support of the St. Louis Christian Advocate. This amount to be apportioned to the several charges. Each Two-dollar subscription up to the amount of the assessment on each charge to be counted as the credit of one dollar. Any deficit from this Conference shall be paid pro rata by the several conference boards.

4. We recommend that the Conference Treasurer be instructed to pay to the Treasurer of the Methodist Advocate company the amount necessary to make up the deficit in the apportioned subscription to this Conference for the past year.

A. N. JAMES, President.

ERNEST T. RANEY, Secretary.

REPORT OF THE BOARD OF CHURCH EXTENSION, 1920

To the Bishop and Members of the Southwest Missouri Conference:

Dear Brethren:

The Board of Church Extension begs leave to submit the following report:

The Board regrets very much its inability for lack of funds to grant the full amount of all the worthy requests for aid. The total amount of the askings was \$8,250.00. The amount available for appropriation was \$4,539.87; we did the best we could.

We plead with our pastors and official boards to see to it that our church property is insured against loss by fire in sums commensurate with their value. One church valued at \$20,000.00 burned during the past Conference year and was insured for only \$5,000.00. Brethren to neglect this important matter may prejudice your claim if your church or parsonage is destroyed by fire and you apply to the Church Extension Board for aid to assist in rebuilding.

We note with pleasure the presence of our recently appointed General Secretary, Dr. S. H. C. Burgin, and acknowledge with appreciation his words of wise counsel and of information concerning matters of Church Extension.

We are gratified to learn that our General Loan Fund has been increased during the few months of his administration by about \$100,000.00.

According to a rule of the Board the time limit of any conditional donation expires at the end of one year.

Memorial

We, the members of the Church Extension Board of the Southwest Missouri Conference, pause in our proceedings with bowed heads and sorrowful hearts tenderly to reflect upon the sudden and untimely death of our beloved brother, William J. Campbell, our most efficient treasurer, our hearts were shocked and sorely pained when the sad word came to us that, on the 16th of March, 1920, he had been taken from our fellowship in the church on earth to the more glorious above with Jesus and the blood washed throne. We desire to place on the records of our Board a brief but most sincere expression of our deep bereavement, of our appreciation of his pure, godly and consecrated Christian life, of his unflagging devotion to his Saviour and his Church, and of his great-hearted brotherliness. For many years he served our Board most faithfully as a wise business counsel and as the custodian of our sacred funds. He also served his church cheerfully and efficiently as a curator of Central College for Women and in various official capacities in his home church, Kansas City, Mo. The secretary was requested to record this memorial in our Board minutes and enjoy a copy in this report and send one to his devoted wife and children with assurances of our sincerest sympathy and prayers that the fullest consolations of the grace of God shall abound unto them.

REPORT OF EPWORTH LEAGUE BOARD

Dear Fathers and Brethren, we, the Epworth League Board, beg leave to submit the following report:

We believe that the Epworth League is one of the biggest departments in the church and has played a large part in raising the ideals of the church to the extent that greater things are being done than were dreamed before. The league helped to furnish the machinery and enthusiasm to put over the Centenary and stands now ready to lend a hand in the educational campaign.

No department of the church is doing more than the Epworth League for the cause of education. The Epworth Era, the League's own paper, has reached a high degree of efficiency. The four departments, the first by Dr. Parker, second by R. E. Nollner, third by O. E. Harbin and the fourth by Garfield Evans, are filled with information that will help every department of the church if utilized. These heads of departments are all experts in their lines and are building efficiency into the church, not simply working for the Epworth League.

The League page in our conference organ is handled in an efficient and helpful manner.

The League stands in the front rank in promoting Bible study, in which great progress has been made the past year. We recommend in this connection "The Story of the New Testament" by Thos. Carter as one of the **great** books of the times.

The League stands back of the great Missionary enterprises of the church, working always to keep the work of all fields before the eyes and on the hearts of the members. Mission study classes have increased one hundred per cent the past year. The league maintains summer conferences attended each year by more than seven thousand leaguers, five hundred of which are Missouri leaguers. These conferences, because they provide a place where leaguers are grouped apart from everything else, create a spiritual atmosphere where, without pressure, with calm intelligent thought hundreds are consecrating their lives to the ministry and to missionary work at home and abroad. More than nine hundred have so consecrated their lives this past year.

We recommend the observance everywhere of Anniversary Day. We recommend also that the conference officers co-operate with the district officers in every way possible, sending representatives to District conference and in every way possible pushing the work of the League. We also recommend that all presiding elders allow such officers a place in their district conference that they may represent the league work. We also recommend that the Commission on Finance appropriate \$400.00 for this work outlined as the League's program.

SUNDAY SCHOOL BOARD

To the Bishop and Members of the Southwest Missouri Annual Conference
the Methodist Episcopal Church South.

Brethren, we your Sunday School Board submit the following report:

The Sunday School has made some forward steps during the past year but we have failed to see that it has the only real field for producing of our future church members.

From our General Board we get some facts that should cause universal alarm. We have fewer schools than we had two years ago and more alarming is the fact that we have lost 41,514 scholars. But during the year we have received 56,048 church members from our Sunday schools.

During next year we will be glad to aid needy schools or help start new ones. Sunday School Day should be observed if we follow the law of our church. We will supply programs to any school asking for them but we request that no school ask for more than twenty copies for each one hundred members of their school. Due notice should be taken of Children's Week next spring.

We request the Presiding Elders to give our work a place on their District Conference Programs.

AMERICAN BIBLE SOCIETY

We your committee submit the following report of the work of the American Bible Society:

The treasurer's report will show that we have collected practically \$100 less for the American Bible Society than was collected last year. This decrease is due to the fact that the general fund was not paid in full, and the part allotted to the American Bible Society represents 3% of the amount collected for that fund.

In as much as the Scriptures are essential in the formation of Christian civilization and since the world is now open to Christian civilization, we heartily indorse the work of the American Bible Society and its purpose to set up a program commensurate with the advance program of the Christian churches.

We urge the brethren to take such steps as they deem best to insure that the supply of the Scriptures shall keep pace with the growth of our work at home and abroad; and we note with pleasure that our Board of Missions indorses the work of this Society, and is urging a larger financial support for this worthy cause.

THE GIDEONS

The Gideons is an organization of Christian Commercial Traveling Men banded together for the purpose of winning their fellow traveling men and others for Christ. One of the most unselfish work of any organization as they have no insurance, sick or death benefits, is not a secret society, non-political and non-denominational but is organized for the purpose of doing good for others and upbuilding the commercial life.

A man to be a Gideon must believe in Jesus Christ as the Eternal Son of God, accepts Him as his personal Saviour and endeavor to follow him in his daily life and belong to some church that makes such belief and endeavor a condition of membership, therefore an arm of the Great Church of Jesus Christ, as they are distributing God's word by placing a copy in each guest room of the hotels of America, the traveling man's home for most the time, of which they have in the last twelve years placed about (450,000—35 car loads).

Therefore be it resolved that we, The Southwest Missouri Conference of the Methodist Episcopal Church South, in session at Joplin, Missouri, commend and endorse this great missionary movement of these Christian

men in endeavoring to win the half million traveling salesmen for Christ, a work that no other branch of the Church has been able to do. We recommend that our pastors and people co-operate with the Gideons by opening their pulpits, having a part in the great Bible work and in any way they can assist in this great movement.

BARNES HOSPITAL CHAPLAINCY

Your committee, to whom you referred the report concerning the Chaplaincy of Barnes Hospital, submit the following report:

We recognize our responsibility as a church to this sacred trust and realize the imperative necessity, that, in a vital way, we should establish and conserve a real and active relationship with its internal interests.

We therefore approve the plan proposed by the College of Bishops through their Committee, Bishop's Murrah, Hendrix and McMurry to provide a chaplain for this great hospital and desire in every way to aid in the prosecution thereof.

To this end we accept \$2,000 as our share of the \$8,000 assessment estimated as necessary to yield an amount sufficient to provide a proper salary and house rent for such purpose.

We instruct our Commission of Finance to include such a sum in the Conference budget and that its income should be disbursed as other conference funds and as directed by the Bishop in charge of the Conference.

REPORT OF BARNES HOSPITAL CHAPLAINCY

Dear Brethren:—

While the Conference in some other states, or group of states, are combining to create worthy hospitals, notably in Memphis and Atlanta, God has graciously put it in the heart of the devout son of a Methodist mother, Mr. Robert A. Barnes, to create and endow one of the greatest hospitals in America, bearing the title, "A Hospital for sick and injured persons without distinction of Creed, under the auspices of the Methodist Episcopal Church, South."

Under the wise and able management of the Trustees, the hospital has been built, and is in most successful operation, at a cost for grounds, building and equipment, of \$1,179,547, and with an endowment of \$1,011,547, of a total of \$2,190,664.

This noble plant is maintained at a cost of \$250,253 a year, ministering

to 3,473 patients, with receipts of \$191,085. This leaves a shortage of \$59,168, which is met by the income from the endowment and by generous friends, thus giving 13,360 days of absolutely free service to those unable to pay anything.

For two years the support of the Chaplain has come from private sources, some of it from friends of Dr. J. W. Lee, the late chaplain. With his death that source of income has ceased. The Bishops of our church recently took action as follows:

"Resolved that a committee of three be appointed to arrange for the support of a chaplain to Barnes Hospital by the Methodists of Missouri, if it shall develop that such action on the part of the church is acceptable to the Trustees of the Hospital, and that the Bishop in charge of the Missouri Conferences, together with the Bishops residing in the State of Missouri shall constitute such committee."

Being acquainted with the action of the Bishop's, the trustees acted as follows:

"The proposition is accepted provided the chaplain is acceptable to the Trustees."

Thus every care is taken to secure the best man for chaplain who may minister to the religious needs of the convalescent patients and the one hundred and forty nurses. It is contemplated also that the chaplain may direct the attention of suitable young women to the life work of a trained nurse and the facilities provided in the Barnes Hospital for such training.

Our Hospital had more than thirty stars on its Service Flag during the great war, eleven of its medical and surgical staff and the remainder being trained nurses who gave notable service. The high standard maintained by the hospital has given it great favor and we now seek the co-operation of the three Conferences in making it a constantly increasing power in every way. We suggest that they provide not less than \$8,000 a year for the house rent and support of the chaplain. The three trustees continue to give \$7,500 a year to supplement the income from the endowment, an example which is followed by other friends of the hospital. Mr. Barnes recognized his mother's church as the most worthy to administer this great trust of more than two million dollars and the appeal is made by the Bishop's and Trustees through the three Conferences to the church in Missouri, in behalf of this, our greatest charity to provide the suitable chaplain.

Signed,

W. B. MURRAH

E. R. HENDRIX,

W. F. McMURRY.

RESOLUTION OF THANKS

We desire by formal resolution to express as far as we can frame grateful acknowledgment in words, our sincere appreciation of the generous, unstinted hospitality, extended to us by the city of Joplin, and our church and its pastor, Rev. W. A. Frazier, during this session of the Conference;

Resolved, therefore, that by a rising vote we express our heartfelt thanks to Brother Frazier for his efficient, and untiring efforts for our comfort and convenience while here; to the Church and people of Webb City and Carterville, to the Kiwanis Club, and Rotary Club, for their thoughtful consideration of our comfort while in the city, to the mayor of the City of Joplin for his kindly welcome to the city, and to all the people who have so kindly opened their homes for our entertainment.

MEMOIRS

REV. J. M. CLARK

James M. Clark was born on the 12th day of April, 1850, in the State of Arkansas. Early in life he became a devout Christian and united with the Methodist Episcopal Church South in his native state. His life and education was such that he was granted license to preach in 1875 on the 20th of September and in the same year, in November, he was admitted on trial into the White River Conference, and did faithful and effective service for ten years in that Conference. In the fall of 1885 he came to Missouri and has since been an acceptable member of the Southwest Missouri Conference. He ever occupied a place of confidence and affection among the brethren of his adopted Conference. His appointments were amongst important charges and districts in the Conference which he filled with efficiency and ability. His preaching was clear, forceful and deliberate. The doctrines of the Bible as taught by Methodism were safe in his hands and the people were edified by his preaching. Brother J. M. Clark was the embodiment of a Christian gentleman, apparently free from guile. It was a pleasure to be in his company. For years he felt compelled to sustain the relation of a superannuate, during which time he often filled the pulpits of his brethren in their absence, with pleasure and profit to the church.

In 1918, at the session of the Conference at Jefferson City, he was granted a superannuated relation in which relation he departed this life on the 27th day of April, 1920.

J. M. Clark and Miss Frances Colbren were happily united in marriage September 20, 1886, who with their two noble sons, Dr. Morris H. and Mr. Harry C., survive him to mourn their loss of father and husband. We will miss him from our number but we sorrow not as others without hope for we believe he is among those who sleep in Jesus whom God will bring with him in that day.

REV. J. W. EZELL

John William Ezell was born in Green County, Missouri, February 22, 1856. His parents were of the industrious, pious class of pioneer people that wrought so well in the early days of the Ozarks. John Williams was converted and united with the Methodist Episcopal Church South at 14 years of age. He entered the Morrisville College at the age of 20 and soon took rank among its brightest students. His affable, manly disposition soon

made him a favorite with his fellow students. He was licensed to preach in 1881, and continued in the local ranks for two years. He joined the Southwest Missouri Conference at Boonville in the fall of 1883, Bishop A. W. Wilson presiding, with a class of ten members. W. C. Bewley only remains in the Conference of that splendid class. He was ordained deacon by Bishop Linus Parker, October 15, 1884, and Elder by Bishop Hendrix, October 2, 1887. He served as Junior preacher with L. H. Vandiver on the Longwood and Highpoint Circuit. He served five other charges until 1893 when he was put in charge of the Springfield District which served five years with ardent toil and great acceptability. Returning to the pastorate he served five other charges. In 1908 he transferred to the Missouri Conference and located at Fayette that he might have the benefit of the Colleges there for his children. Having served two charges there he transferred back to the Southwest Missouri Conference and took a supernumerary relation, in 1911. While in this relation he worked a farm that he might educate his children. He kept his children in school until the five of them were graduated. This was the spirit of the man. His children are all Christians and engaged in useful pursuits: One son, William Harney, is an honored member of the Missouri Conference; Brother Ezell was placed on the effective list at our last conference and appointed to the Morrisville Station, where he was doing a splendid work and in his usual way, preaching to the delight of the people. Brother Ezell was a sound and helpful preacher. The gospel he preached was full of saving grace. His aim was to help saints and to save sinners. His ministry was very fruitful, and many were converted by his preaching. He came to his last appointment in high spirits and preached with great acceptability, until he began to fail in health about the first of January and grew worse until on the morning, Sunday, May 16, 1920, he quietly fell asleep in Jesus, supported by the faith that he had so long and faithfully preached to others.

J. W. Ezel and Miss Sallie J. Wheeler were united in marriage October 14, 1885. It was a happy union and for nearly thirty-five years they lived and labored together in the itinerancy of the Methodist ministry. But now he rests from his labors. "Let me die the death of the righteous and let my last end be like His."

MRS. J. T. PERRY

Mrs. Kate Perry, the widow of the late Rev. J. T. Perry, departed this life at her home in Clinton, Mo., in August, 1920, in the seventy-second year of her life. She had been a sufferer for some years but well sustained in the faith of a Christian she bore her afflictions with patience. She was a true helpmeet of her husband whose ministry dates back to the time that tried men's souls. The Perrys were among the first to bring the gospel to the parts of Missouri. J. T. Perry is said to be the first stationed

preacher in Kansas City, Mo. This good woman whom we remember today shared his joys and comforted him in the sorrows of the preacher's life. Peace to her memory and blessings for those who remain.

MRS. E. D. BAKER

Sister Lola May Baker, wife of our brother E. D. Baker, passed from this life March 20, 1920. She was married to our brother at the beginning of his ministry and for the past ten years has been a faithful helper to him. She was a true mother a loyal Christian and a good woman. We sympathize with our brother and his four motherless children. Her funeral service was conducted by Dr. W. H. Winton at Fair Grove and Rev. A. N. James at Rich Hill, where her body was placed in the beautiful city cemetery for its long rest.

MRS. W. C. TEAYS

Olive Blanche Teays, beloved wife of our dear Brother W. C. Teays, passed to her reward in the early morning of February 6, 1920, leaving Brother Teays and two children seriously ill with influenza. In 1912, under the ministry of Rev. J. K. Speer she united with the M. E. Church South. She lived a consistent, faithful member of the same until God came and took her to her triumphant church. She toiled and planned with her husband in the ministry for the kingdom of God. It was said by one who knew her that she was a true Christian, a loving mother and a faithful wife. She lived and labored for the happiness of others. Her body was brought back to Teays Chapel, her home church, where her funeral was preached by Rev. J. K. Speer, who had received her into God's visible Kingdom nearly eight years ago.

MRS. J. C. L. BOEHM

Mrs. J. C. L. Boehm, wife of J. C. Boehm, departed this life in March, 1920, after a brief illness in the 57th year of her life. Sister Boehm was of strong personality and splendid Christian character. She was devout in life and helpful to her husband in the work of the ministry whom she leaves in sorrow but not without hope. Peace to her memory.
